FIELD TRIP TO THE ZOO

Hampton Lane had a great day at the Maryland Zoo in Baltimore on April 26th. Thank you to all of the parents that attended. The children had a great time and even though a few areas were under construction, we were thankful to see the many animals in their habitats. It seems like the Flamingos were the most popular.

SPRING CONCERT

We are all very excited about our Spring Concert on Friday, June 8th, 2018 at 4:30pm. This year our theme is "Love Is All You Need" The children are working hard learning and practicing the songs and the hand motions that go along with them led by Miss Katie and Miss Bayley. We are also having lots of fun creating the artwork for our backdrop. The children may wear or bring a special concert outfit. There are no special requirements, they may wear any Spring attire or special outfit that they are comfortable wearing. Please know the concert ends with a special Pre-K graduation recognition. Look for emails from the class parents who are organizing donations of treats for all of us to share after the concert. We would like each family to bring

a snack or a treat. There will be tables set up in the back of the room. Please try to bring easily accessible finger foods, such as fruits, vegetables, savory snacks and treats. Please try to avoid anything with nuts. There will NOT be a sign up genius. You may also drop your snack/treat off to the office on Friday morning. We look forward to seeing everyone at the concert!

THEO HARRIS PRESENTS THE 4TH ANNUAL HOME TOWN HEROES BBQ BASH JUNE 23RD 6PM-9PM

A gathering to appreciate the heroes of our community.

Hampton Lane is always proud to be part of this incredible event happening in our community for our community heroes. It is sponsored by one of our own family's company; the Theo Harris company (Haris in our Lion's classroom) Hampton Lane has an area at the event where children are able to play, color, collect firefighter stickers and hats. This event has a great hometown feel as it is held in a large backyard with music, a bounce house, face painting, food, and live demonstrations by actual fireman of the Providence Volunteer Fire Co.!! Providence Volunteer Fire Department visits Hampton Lane every year during our Fire Safety Week and always creates an incredible presentation for our children. We are very proud to support the

Pre-K to Kindergarten

It's hard to believe that your children will be entering Kindergarten soon, but it is important to make sure your child is registered at their new school. If you have not been contacted or if you have not already made contact with their new school, we urge

you to do so as soon as possible. As the year progresses it is important to know how the new school enrollment and registration process happens. We have many private schools in our area as well, each with their own individualized enrollment process. Please contact them directly to find out about their registration process.

Transition into a Baltimore County School Kindergarten Program (from the BCPS website)

When should I register my child?

Schools are open throughout the summer to accommodate parents in the registration process. The early registration of students provides the school system an opportunity to evaluate student placement and adjust staffing in response to unanticipated enrollment increases. Parents should contact their local school to schedule an enrollment appointment. For more information, parents may call 410-887-4554.

What information do I need to register a child?

When registering a child, you will need to present :

- Proof of Baltimore County residency in accordance with [Rule 5150](#) (Deed or lease and photo ID with 3 proofs of residency)
- Certificate of birth
- Immunization record
- Copy of the child's most recent report card (if applicable)
- Most importantly, contact the appropriate school prior to registration. Schools are open throughout the summer to accommodate parents during the registration process.

How can I help my child make a smooth transition to a new school?

- Arrange a time to meet with the guidance counselor at the school to discuss any concerns you may have about your child's adjustment to the new setting.

- Finally, take an active role in your PTA and consider becoming a school volunteer so that you and your family quickly become part of your new school community.

How can I obtain more information about the Baltimore County Public

Schools?

Contact the administration office of the school your child will be attending. You can find the telephone numbers for all schools in the Baltimore County Public School system by using the BCPS website.

OUR SUMMER PROGRAM "The Future Looks Bright"

Our summer program this year will be called "The Future Looks Bright" based on the commonly heard statement in a child's world...."When I grow up, I want to be a ____!" We will introduce professional activities, community helpers, Science, Math, Arts, Music and movement...the possibilities are endless!! We will have a lot of fun keeping cool on our water days The woods walks are a great way to explore nature in our own back yard. On music days we will continue to learn about instruments, music melodies, rhythms and beats. The spirit days will be a big hit, and on Fridays we will have our School Show and Share, which is a great way to share what we have learned with all three classes.
